Montego Bay	★
Tropical Sun	★★
Silverbullet	★★★★
Voyager	★★★★★
Sunboard	★★★★★

MONTEGO BAY • TROPICAL SUN • SILVERBULLET • VOYAGER • SUNBOARD

★  
**Montego Bay**  
Less than 5% UVB rays, traditional 20 minute bed which means more time to relax, get a base tan in 6-8 sessions

★★  
**Tropical Sun**  
Less than 2% UVB rays, 100 watts, almost double the tanning power of the basic beds, facials can be turned off/on, perfect to start in, get a base in 3-5 sessions  
*max time: 15 minutes*

★★★★★  
**Silverbullet**  
Less than 2% UVB rays, 160 watts, less than 1% UVB rays for the facials, adjustable face lamps, works great with the teeth whitener system, fast results (especially if you have a base tan)  
*max time: 12 minutes*

★★★★★  
**Royal Sun**  
Uses high-pressure facial lamps, as well as high-intensity tubes. About 3% UVB in the tubes and 1% in the facials. Works great to intensify a base tan.  
**Max Time: 12 minutes**

★★★★★  
**Sunboard**  
Less than 1% UVB rays, high pressure bulbs, best bed for your skin, perfect if you're claustrophobic, really good results if you have a base tan first, works great with the teeth whitener system  
*max time: 15 minutes*
